

Waukesha reUp Remanufactured exchange Cylinder Heads

Product description

Overview of Waukesha* Cylinder Heads available in the reUp program

VHP reUp Cylinder Heads

Part No.	Description
REM-AA204702R	VHP* S2 GSI
REM-AD204802E	VHP S2 GL w/ rotators
REM-CD204802E	VHP S2 GL w/ rotators & spark plug carrier
REM-EA204802E	VHP S2 GL(legacy)
REM-AF205002G	VHP S4 GSI
REM-AG205002G	VHP S4 LT
NWC-AA205002H	VHP S4 GSI xCooled
REM-CF205002G	VHP S4 P9394 w/ new SPARC carrier design
REM-CG205002G	VHP S4 Landfill Gas w/ new SPARC carrier design

VGf reUp Cylinder Heads

Part No.	Description
REM-DE300302C	VGf* GL
REM-DF300302C	VGf GSI
REM-AG300302C	VGf SE Model

275/AT reUp Cylinder Heads

Part No.	Description
REM-AD287002A	275/AT275 GL
REM-AD287002B	275/AT275 GL w/ combustion pressure port
REM-AA285002H	AT25 GL

Product details

- Re-machined and reassembled to original part specifications for Waukesha gas engines, or latest specifications
- 100% magnetic particle inspection & leak testing
- 100% new wear component part replacement includes: valves, valve guides and valve rotators, seat rings, and o-rings/gaskets
- Fire deck and valve pockets machined with proprietary CNC machining technology
- Standard Waukesha Warranty: 1 year date of service, 2 years date of sale, **covers progressive damage**

Customer benefits

INNIO's Waukesha reUp parts reduce operating costs, increase uptime and reliability and recycle material to reduce environmental impact.

- **Latest Technology:** Each cylinder head is remanufactured to the latest design specification incorporating the technology designed to improve engine performance, uptime, and availability
- **Reliability:** No other component provider can provide the holistic and systematic engineering expertise to remanufacture spare parts for Waukesha gas engines like we can. We back it up with our standard warranty **covering progressive damage**
- **Reduced Operating Costs:** reUp parts are priced at approximately 40-70% of new OEM parts and are trusted to go the distance to maximize return on investment
- **Reduced Environmental Impact:** reUp parts deliver efficiencies for manufacturing material and energy consumption

Applicable units

VHP*	All VHP engine models & versions
VGf*	All VGf engine models & versions
275/AT	All 275 and AT engine models & versions

INNIO* is a leading solutions provider of gas engines, power equipment, a digital platform and related services for power generation and gas compression at or near the point of use. With our Jenbacher* and Waukesha* product brands, INNIO pushes beyond the possible and looks boldly toward tomorrow. Our diverse portfolio of reliable, economical and sustainable industrial gas engines generates 200 kW to 10 MW of power for numerous industries globally. We can provide life cycle support to the more than 48,000 delivered gas engines worldwide. And, backed by our service network in more than 100 countries, INNIO connects with you locally for rapid response to your service needs. Headquartered in Jenbach, Austria, the business also has primary operations in Welland, Ontario, Canada, and Waukesha, Wisconsin, US.
